## DAY 1

Pick up Darwin CBD 6.30am.

Travelling towards Kakadu, our first stop is Corroboree Billabong on the Mary River, for a wildlife boat cruise. While cruising the wetlands you get the chance to see saltwater crocodiles and an - amazing variety of bird life in their natural habitats, all while learning about the important ecosystem they share.v

Off to Ubirr, we wander through ancient sandstone outcrops, viewing paintings depicting traditional Aboriginal people's way of life over countless generations.

Climb to the top of Ubirr, where you get amazing panoramic views of the massive flood plains and Stone country of Kakadu and Arnhem Land.

Set up camp in the heart of Kakadu, tonight campfire cooking and sleeping under the stars. (LD)

## DAY 2

Today we're up early for breakfast before taking to the dirt roads, for our 4WD adventure into Jim Jim and Twin Falls.

Taking the Escarpment Walk to the top of Twin Falls, you'll be rewarded with the amazing views of Twin Falls Gorge and then swimming in secluded freshwater pools.

After lunch, we make our way over to Jim Jim Gorge, following the walking track through the monsoon forest brings you to the base of the falls, another chance for a refreshing swim surrounded by the towering cliffs of the Jim Jim Gorge.

Back to our camp for a well-earned dinner cooked on the campfire. (BLD) Managed Camping Area

## DAY 3

After an early breakfast, we head off towards Maguk (Barramundi Gorge). We walk into the Gorge following Barramundi Creek, through majestic paperbark trees. As we cross the creek, heading towards the waterfall, keep an eye out for the many the different species of fish, (Barramundi, Long Tom, Black Bream and Archer Fish. Just to name a few) at the end of the walk you can cool off in the plunge pool below the falls.

Leaving Kakadu we head towards Leliyn (Edith Falls) in Nitmiluk National Park, here you can sit back and take in the natural beauty of the area or go for a refreshing swim in the plunge pool.

Camping under the stars and dinner cooked on the campfire. (BLD) Private Camping

## DAY 4

After packing up camp and an early breakfast, you and your new friends can explore Katherine Gorge at your own pace on your full day self-guided tour, canoeing between the towering sandstone cliffs etched out from the Arnhemland plateau over almost 2 billion years ago by the now Katherine River.

Stopping in the historical town of Pine Creek before heading to tonight's camp

Tonight eating dinner around the campfire, before falling asleep under the stars. (BLD) Bush camping

## DAY 5

Our last day is spent travelling through and absorbing the beauty of Litchfield National Park. This area is full of amazing waterfalls, plunge pools, cascading creeks and the world famous Magnetic Termite Mounds.

After exploring Litchfield National Park it's only a short drive back to Darwin. (BL)

Don't forget Thursday night is the popular Mindil Beach market, a great place for visitors and locals alike to grab a bite to eat or stroll through the colourful local stalls. With a melting pot of cultural delights, music and entertainment, choice is abundant and shouldn't be missed.

Mindil Beach Market, May to Nov, Thursday (4-10pm) and Sunday (5-9pm)
